

Fees Policy

At Mary Immaculate School we are committed to providing a Catholic education for all children whose parents desire it. Our enrolment policy, in accordance with the Vision of Brisbane Catholic Education, recognises our responsibility to provide education within the availability of places for Catholics of Mary Immaculate Parish, siblings of families within the school, Catholics outside Mary Immaculate Parish and non-Catholics who support the ethos and values of Catholic education.

Once enrolled, all are welcomed as part of the Mary Immaculate School community.

Our aim is to provide a holistic education based on Catholic values through a partnership with parents, teachers and staff, the community, Brisbane Catholic Education and Government agencies. To provide a quality education, we rely on Government funding and school fees.

Fees are based on student needs and calculated on a Direct Measure on Income (DMI) score. This has resulted in an average 4% increase in the school fees and levies for 2026.

We understand that fee increases can be difficult for some families in our community. If you have any concerns about the 2026 school fees, please contact the school to discuss your family's circumstances.

Teaching resources are provided through school fees in 2026, and also include:

- Excursions and cultural activities.
- Most aspects of the physical education program, including swimming, dance and sports carnivals.
- Technology equipment and support

2026 School Fees

INCLUDES TUITION FEES, STUDENT LEVY, TECHNOLOGY LEVY, CAPITAL LEVY and PARENT COMMUNITY LEVY

VOLUNTARY LEVIES/CHARGES

		Voluntary	Tax deductible
Library (per family, per year)	\$100	Yes	Yes

Levies

Fees are set each year in accordance with recommendations from the Brisbane Catholic Education Council. Part of the fee includes a compulsory Capital Levy which supports the school's capital loan repayments and capital expenditure on school buildings, grounds and equipment. The tuition fee includes the Archdiocesan Education Levy and Catholic Futures Fund paid to Brisbane Catholic Education. The Archdiocesan Education Levy contributes towards resources provided by Brisbane Catholic Education for all schools in the Archdiocese and the Catholic Futures Fund contributes towards future schools in the Archdiocese.

At Mary Immaculate we rely on all families to contribute. It is expected that families adhere to the fee schedule. We recognise that at times some families will experience financial difficulties. Where families find it necessary to seek a fee concession, the Fees Concession Policy will be followed.

Methods of payment – School Fees & Levies

Methods of payment include

- Direct Debit (our preferred method)
- BPAY
- EFTPOS – debit and credit cards at the school office

Fees Concession Policy & Procedure

Families wishing to apply for concessional fees should contact the office for advice on documents to provide. This will be followed by an interview with the Principal or their representative.

The application and/or interview process is aimed at determining a just and equitable fee that is within the family's ability to pay.

Once a fee concession is granted, it is expected that the Direct Debit is setup for regular payments. It is essential that this commitment is honoured in full and on time. If family circumstances change the school must be informed.

If a concession is granted to a family, it is expected that the Direct Debit option of payment is put in place.

If concessions are required beyond the current year, new arrangements must be negotiated each school year.

School Fees Billing Procedure

An account of full fees and levies will be issued by the school at the beginning of each term, payable within 14 days of issue.

Unless prior arrangements have been made, the school expects that term fees will be paid by the due date. If there is a problem in meeting this deadline, or you wish to vary payment arrangements, please contact the office and make an appointment to meet with the principal and/or finance Officer.

Reminders of outstanding accounts will be processed within seven [7] days after the due date. This may be via email, SMS or phone.

Unpaid accounts which remain outstanding will be dealt with in one or more of the following ways:-

- Phone contact by the Finance Officer.
- Letter from the Principal
- Interview with the Principal

Where accounts still remain unpaid after the due date and no appropriate arrangements have been made to pay the agreed fee, the account may be placed in the hands of a debt collector.

Since 1917, we have proudly educated generations from Annerley and its surrounding suburbs. We look forward to welcoming your family to the Mary Immaculate Catholic Primary School community.

A community that is culturally rich, and a size where every child is known, encouraged and given the opportunity to excel.
